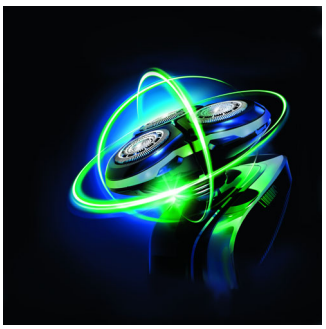
PHILIPS

Wet and dry electric shaver with Aquatec
UltraTrack heads Internal Trimmer, 55 min

RQ1253/16

Highlights

GyroFlex 3D Shaver



GyroFlex 3D contour-following heads of the shaver adjust seamlessly to every curve of your face, minimizing pressure and irritation on your skin.

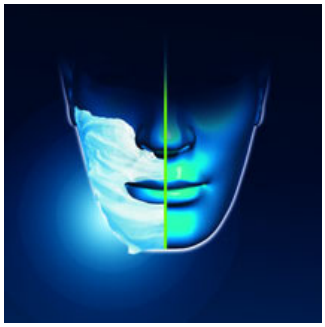
UltraTrack Shaver Heads

Get a close shave that minimizes skin irritation. The shaving head has 3 specialized tracks: slots for normal hair; channels for long or flat laying hair; and holes for the shortest stubble on your face.

Super Lift & Cut Action

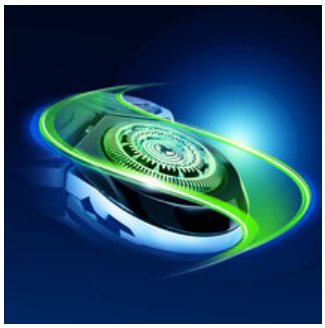
The dual blade system built into the Philips electric shaver lifts hairs to cut comfortably below skin level for a closer shave.

Aquatec



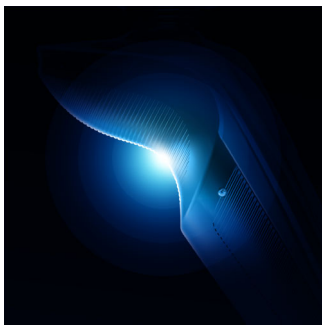
The Aquatec wet & dry seal of the electric shaver lets you choose how you prefer to shave. You can get a comfortable dry shave or a refreshing wet shave using a shaving gel or foam for extra skin comfort.

SkinGlide



The low-friction SkinGlide shaving surface of the electric shaver slides smoothly along your skin for a close easy shave.

Easy grip



The easy grip shaver handle has an ergonomic grip with anti-slip coating, ensuring close control for an extra precision shave.

Precision trimmer

The unique skin friendly precision trimmer system is built to avoid unneccessary skin contact. Easy to use for perfect moustache and sideburn trimming.
